

Connecting Women & Families in Transition
to Help & Hope

ABOUT US: Women of Hope is a 501 (c) 3, faith-based organization devoted to addressing the alarming problem of homelessness and instability among women and their children in Northeast Ohio. The current focus population includes families, female veterans, and returning citizens who are attempting to sustain a healthy life –style and self-sufficiency.

Through its Firm Family Foundations Program, Women of Hope equips and empowers women and their families to experience wraparound care through an array of offerings and supports. Through the Firm Foundations program, participants are equipped to live successfully in recovery, access affordable housing, and develop plans for overall wellness.

WHAT WE OFFER: A holistic continuum of care that empowers women with encouragement and tools that equip them towards self-sufficiency.
